Todd and family my prayers are with you and I am so proud that my son Cary met Laurie and found a wonderful family as you all in turn since he loves you I love you also and will always be there when needed. I pray God will be with you during the following days that I know will be one the hardest you will ever. The times I was around Tanner he was sweet and seemed caring and loved his family. I pray God wraps Beverly in his arms and shelter in what will be a difficult day and avoid any further problems with her heart. I will be there to show you and the family support and to show how precious I thought Tanner was. Love Dennis and Gail Briscoe
