“ Tanya,

You were an incredible joy to know. Your constant smile, concern for others and ability to lead women was absolutely infectious.

You leave a wonderful family and some caring friends behind. However, I know that your faith has taken you to a place that we all long to be.

As you led your Family Readiness Group, you now lead us to a greater calling where we will all be together again. I look forward to seeing you on the eternal side of life.

Thank you for making the Texas National Guard a better place to serve. Your legacy will impact others for years to come. God bless your family.
