“ To The Stephenson Family,
I am so deeply sorry for your loss. Know that many hearts ache with you and we are all on our knees for your family, bridging the gap for you on prayer. Taylor was a precious young man and a sweet child of the King! A testament to wonderful parents, a loving family and the Holy Spirit within him. So while his absence on earth is mourned, I pray soon your hearts will heal to rejoice in his homecoming to Heaven. He is in the Father's loving arms. The same arms that are wrapped tightly around each of you now - holding you together when your strength is gone. May you feel His love and peace that passes all understanding and know that His plan is flawless.

“ *To the Stephensions, Steve, Krista, and Trent.. We are so deeply saddened by your loss. Know that we are praying for you all. Although we did not know him, we can see that he was a wonderful person inside and out, and touched so many peoples lives...which can be attributed to being part of such a wonderful loving family. May God be with you and give you stength.*

Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort; who comforts us in all our affliction so that we may be able to comfort those who are in any affliction with the comfort with which we ourselves are comforted by God. For just as the sufferings of Christ are ours in abundance, so also our comfort is abundant through Christ. 2Corinthians 1:3-5

“ In pain, and despair we can echo the words of the old spiritual, "Nobody knows the trouble I've seen. Nobody knows my sorrow." The Life and death of each of us has influence on others: "If we live, we live to the Lord; and if we die, we die to the Lord. So, whether we live or die, we belong to the Lord" (Romans 14:8) Amen

“ I've have the pleasure of meeting with Taylor when I made my visits to Wagner Cadillac. I always believed that Taylor was a sincere and caring young man who truly wanted to make a difference in the work that he did. I thought of him as a diamond in the rough and believed that he had such great potential in the car business and in life. I was very sad to hear he had passed away and felt compelled to come to his funeral today. I was touched by the pouring of love and fellowship I witnessed at the service today and I will miss my visits with Taylor when I call on Wagner Cadillac in the future. May the Lord welcome Taylor home with open arms and comfort family and friends who he temporarily leaves behind.

Very energetic young man and was focusing in on what life he had.
