“ We have lived next door to Terry and Valerie for only the last couple yrs and do not know them well but what we do know is they have been kind and good neighbors and we see them often together doing yard work and enjoying their beautiful back yard and sitting on their dock together in the evenings. We know he will be missed terribly. You have our sympathy and prayers.

“ Sasha and I met Terry in 1996 shortly after we arrived in Tyler. He was putting a light in Sasha's office. That began a 25-year friendship. Over the years I watched Terry's Daystar business grow. He did multiple projects for me over the years and I have leaned on him heavily over the last 12 months. The best electrician in Tyler, but more importantly one of the best men I have ever known. His integrity, faithfulness, good nature, and willingness to help set him apart. We would periodically cross paths and as others have said we would pick right up where we left off. He would always inquire about my family and what everybody was up to. He was exceptionally proud of his children. He loved the Lord, he loved his employees, he loved people, and he loved his family. Heaven received a great one, but much earlier than we expected. We will miss him along with many others.

“ I have known Terry since our days at Robert E. Lee High School and over the years every time I would see him it was like picking up where we left off many years ago. He was such an incredible individual and a class act from his friendship and kindness to me over the years to the work he provided for me at Daystar. May God Bless his family I will for sure miss his friendship.

“ *The Arnold brothers Gary, Terry & Danny welcomed the Hill brothers Kyle, Brett & Lance to the country back in 1972 when we moved south from Tyler to our farm in Gresham - we have fond memories of those days - when they lived on Jonestown Road and we lived down the road on Saline Creek Road near Noonday - we all rode Mr Thigpen’s school bus 22 together - although I hadn’t seen Terry in several years I clearly remember his kind nature and loyal friendship to my family over the years. He will certainly be missed by everyone who knew and loved him. Our sincere condolences to his family*

“ *Terry is my cousin, but more than that he was like a brother. We grew up across the road from each other and lots of my fondest memories involve Terry. Whether it be RA Camp while we went to Gresham Baptist, or Youth Evangelism Conferences, whatever the moment we made it fun! Then as we got older it was dragging Broadway, concerts, ski trips, or whatever we could find to get into. Terry will be missed greatly by his friends and family. Rest easy Terry and we’ll see you again one day.*

“ Terry’s Mom was my Sunday School Teacher at Gresham. His younger brother, Danny was a good friend. I love this family dearly and they have been through so much. All though they have struggled they never quit on God. If it was not for the influence Betty Arnold had on my life the last 32 years in the full time ministry and 21 plus as a pastor would have never happened. So many of these dear folks invested in me and I will always be indebted. God bless and prayers for the dear family. Mr. Arnold you and Danny and in my prayers.
