“ No amount of words can express the sorrow of knowing that such a wonderful person will no longer bless us with his presence. Mr. Wynne had such a great disposition about him that even on our happiest/ best of days, those few minutes spent together could always make us feel even better. He is one dear soul that will truly be missed. Much love & Prayers for strength going out to all..."It's not goodbye, it's I'll see you later".

“ To the Wynne Family: Tyler ISD food services has been blessed to be a part of Terry's life. He has been taking care of us for many years and was always a person that is trustworthy, pleasant, knowledgable, easy to talk with, excelled in customer service, and would also be considered a friend to many of us. His visits with my office were welcoming and I most appreciated him being a great listener when I lost my father a few years ago. Terry will be dearly missed and I want to share my deepest condolences to his family.

*My prayers are with you all at this time,*

“ *So sorry to about Terry's passing. He and I grew up together; Terry lived directly behind me and we played baseball on the same team. We attended Tarrant Road Baptist Church. Terry went to Tech High School after Junior High instead of Polytechnic High School. We basically lost contact after I was drafted into the Army. A few years ago I got in contact with Terry and met him and Pat for breakfast in Edom, TX at The Shed Cafe. We had a good visit.*
