“ David, I just found out about your mom. I'm shocked, I can't believe it. I have so many good memories of her, some good, some funny and some outrageous. However my fond memories were visiting with her at Azalea Trails where we would watch *Once Upon a Time*, or she would get really wrapped up in a lifetime movie and refuse to budge until it ended. She always wanted me to save the poor hapless women in t.v. I also enjoyed just sitting and reading the news paper with her. I'm going to miss her.

“ David,  
what a wonderful Mother you had for so many years. I have know Thelma for 34 years and we were in the same birthday club. She was always such an inspiration to me. We had several of her birthday parties at Azalea Trails and she was always upbeat and positive. All will miss her but we know where she is.
