“ I remember Therman as “Keith’s dad”. We grew up together in Dallas at Lake Highlands Junior High and High School as best friends and tennis competitors and doubles partners. Many were the day “Keith’s Dad” would be watching and encouraging us together or individually while puffing on his pipe...he made me a better player and better person as I always remembered his interested and caring attitude toward Keith and toward me too. I’ll always remember him and he will surely be missed but now God will have a new doubles partner and team mate on his side.

“ *Such an important part of my growing up. I always looked forward to visiting with Therman at family gatherings. He was always interested in what I was doing and of course talking about the Cowboys. Keith, you were wonderfully blessed in having him as your dad. What a great role model to have. All who knew him will miss him dearly and all us in our family are better for his presence. May God bless and comfort in the coming days.*
