Rest In Peace my childhood friend. You won the race, you beat us to the chair that sits by our father. Though your loved ones are hurting, i pray they all have the faith to believe that you are forever eased from your pain, forever in his presence, forever happy, and forever young and full of life, like I remember you from days gone by. Praying for your family and friends. T

I remember Danny as my patient at TMF. He had a beautiful spirit, so kind, and a sweet smile. Then my sweet crazy friend Martha came into my life. I remember how surprised I was to find out Max and Martha were Brooke and Dannys parents. Not to mention, Big sis Sherry, and Martha's sister Pat. I love this entire family and know God is with them
