“ Tom was not only our Best Man at our wedding in 1954, he was, also, a best friend. We, already, miss him. To quote a comment from Roy lessin, we think this fits Tom best

"The Impact of One Life"

"When a stone is dropped int a lake, it quickly disappears from sight, but its impact leaves behind a series of ripples that broaden and reach across the water. In the same way, the impact of one life lived for Christ will leave behind an influence for good that will reach the lives of many others."

Tom's ripples will go on through eternity!

God Bless you Dorothy, and all of Tom's family! We cannot be there tomorrow, but we will be there in spirit!

“ Nan, it seems Tom was a respected dentist, civic-minded citizen, loving family man, and your hero. More importantly, he loved and followed Jesus! That is his living legacy, and is what, I know, gives you joy in knowing this separation from your beloved big brother is just for a moment. I love you.

“ Thank you, Tom, for bring a wonderful big brother to Nan, who often relied upon you during rough times on numerous occasions during childhood and during adulthood. You were the role model who served as a guide to her after her father and mother passed away. You were protective, nurturing, and always treated her with respect, giving her the love you both learned from your Heavenly Father. Thank you for standing in as her father during our wedding and reminding me of the treasure that had been given to me. I love you as much as I do/did my other brothers.

*Respectfully,
Alan Barnes*
