“ So long, Tombo: You were truly my best friend and confident. If ever there was a person who could be called a "Straight Arrow", it was you. Miles between us in these past years have kept our families from seeing each other as much as we would have liked, but we certainly have many memories of the fun places and times we have spent through the years in each other's company. Remember the day that we played golf with Ted Williams in Florida, and you beat him? I won't repeat the name he called you. Maybe you can set us up for a repeat match. Tom Van Sickle

“ Sorry to hear of Tommy passing. In the early 1960 we were a neighbor on Grand Street. Were connected to the Lyndes via business relationships...we owned KVOE as well as social events. Always remember Sue and Tom as upbeat fun loving always positive people a real pleasure to be around. Doris and I have missed them since they left Emporia. Tommy will be in our prayers.
