“ Thomas Tidwell was a kind hearted man who always had a smile on his face. I remember his laugh which would make you smile or laugh too. Thomas was a very creative and crafty man who loved and enjoyed sharing his creations. A true heart of gold! A tough and strong man but also a proud man.

*With sincere love and regrets we are praying for peace and comfort for you Barbara and the Tidwell family.*

“ I have many memories of Thomas, the one that I'll never forget is his huge smile! He was the sweetest man, always had compliments and a big hug every time I saw him. Loved hearing his stories and jokes. He had a heart of gold and his outpouring love for his friends and family was evident everyday. He will be missed.

“ Dee Dee and myself were so honored to have been considered by Tom to be close friends. We so loved hearing the stories of his and Barbara's youthful days in California. We would be working setting up for a wedding and Tom would greet us with a smile and tell us what a beautiful place we had, coming from someone as talented and creative as he was it just made us swell with pride. He was quite a leather craftsman and several times he would notice the belt I was wearing was ratty and worn and he told he was going to make me a belt one day. Well one day I was presented with the most beautiful Elmwood Gardens logo laid out on a huge piece of leather and reminded me of the Bonanza map that was blazed across the T.V. each time an episode came on. Thank you Tom for your friendship you will be missed. Our prayers remain with your family.

*Barbara, you and your entire family have always been a blessing to us since the first time we met. This tragic loss breaks our hearts and reminds us of how short our time on this earth really is. Generous is the word that comes to mind when I think of you and Thomas. He will be remembered with fondness and admiration. God Bless you and yours and may the Peace of Jesus Christ rule and reign in your household during your time of healing.*
