“ Tommy and Ruth Ann, we will never understand the grief you are  
going through.  
To help comfort your loss just remember that Bill is no longer in the  
pain that he had to live with for so many years. God chose the time  
to give Bill some comfort. In addition, remember all the friends and  
family that enjoyed their relationship with Bill. He has joined his little  
sister and will enjoy eternity with her. God bless both of you.

“ I have no way of knowing the depth of your sorrow. Losing a child I understand is the worst loss you can have. But two, that can not be envisioned. Words cannot convey our sorrow and with the deepest love, know that you and the entire family will be in our prayers asking for your pain to be lessened in your memories of Bill and in the joy of the Grandchildren that he gave you.

*All our love!*

“ Tommy and Ruth Ann, I am so sorry that you lost a special child. I loved that boy and so many memories of when he and Danny were best of friends.
