“ *Lisa, Tucker, Tanner, Harvey, and Bobbie,
Words cannot express the sadness I feel as I write these words. Tim was a great friend, a great co-worker, and a wonderful boss. He always inspired and encouraged me to do my best and I will always be grateful to him for that and so many other things. That twinkle in his eye and bounce in his step will be sorely missed at Brookshire's.
Praying for you all in the days ahead.*

“ *Our faith requires us to always "be ready". We don't get to choose the time or place whenever God calls us home. That is determined by God. He only asks us to love HIM with all of our heart and mind. Tim's future is secure because as believers we are saved by grace through faith. I pray that God will give Lisa and the boys the peace that passes all understanding and the strength to continue the journey. God will not move away from us during times like this. In fact, HE will draw us closer to HIM and that is comforting to know. I know this because I too have walked in Lisa's shoes and my boys have walked the same path that Tucker and Tanner will.*

“ Tim was a client of mine when I was at Arthur Andersen in the early 2000's. I remember him as an ethical, moral man who made decisions in business that reflected those characteristics. May God bless all of his family and friends whom I know will miss him dearly.

“ Dear Lisa, Tucker and Tanner;
I know that words seem so insufficient at this time to express the sadness we all feel at Tim's passing. The Scriptures tell us, though, that the Holy Spirit recognizes our thoughts, our sobs, our sighs and our moans as we struggle to comprehend what words cannot convey. I pray you each receive some comfort in knowing that you are incredibly loved by all of us, and even more so by God our Father. And He has surrounded you with a host of people who want to help ease your pain and worries in any way possible. Please call me at any time (903)570-5878 if there is anything at all I can do to help. With much love and prayers, Jan McCauley

“ To the King Family,

I am very sorry to hear of your loss. I am shocked, and not sure of the details, but he left us way too early. I last saw Tim at the FMI MidWinter in Orlando in January. Tim was a great gentleman...and Tim was always gracious, humble, caring, intelligent and unassuming which made him one of the unique gifted people I have ever met. I will miss him. Rest in peace.
