Tommie was such a sweet woman, beautiful inside and out. She had such a warm smile and beautiful dark eyes that light up with her smile. I am so glad I got to know her during hers and Lloyd's time at Pleasant Retreat Methodist.

“ *Tommie, official photographer of birthday and Christmas celebrations, and always so prompt with having them developed. Delivery was usually the day after the get-together. A great couples photographer!*

My daughter's wedding day popping in with a big smile and an early morning treat for her breakfast to start the day off well.

Taking our golden retriever Zeke for a walk, I'd get to the top of the hill and wonder if Tommie was home for a chat. I'd knock, the door was opened and there was Tommie with a big smile seemingly happy to pause her day and welcome Zeke and I into 'garden' room. We'd chat about our families and our school remembrances. I recall hearing of her first great grandbabe being brought for a visit, visits to Utah and how her grandchildren were doing.

The pink Christmas tree. Lloyd and Tommie had made a good compromise, pink one year, red the next.

Daisy, white fluffy, so loved, gift at her retirement. All the memorabilia of Daisy.

Lovely memories of Tommie.

“ I was going through my things at my house and my mother and I found the cookbook that my Granny had made in 2020. She loved to cookbook from scratch for her family for any occasion. In the cookbook were tons of recipes and tons of pictures of Granny and her family throughout the years. This is such a special book and a great memory of mine.

“ *My Granny was a very sweet, caring, loving, happy, grateful and amazing woman. She loved all of her grandchildren and great grandchildren even the newer ones Paisley Jean Smith and Hunter Alan Montgomery. She was an amazing mother to her kids and amazing wife to my Poppy. She was one of the most amazing and best grandmothers I could ever have in my lifetime. I love you Granny to the moon and back.*
