“ *I remember Tom and I taking care of our internet dept. here at Allen Samuels. I remember when I got the phone call from him after I had left and he had taken over saying Mike I don't know how to do any of this website stuff they want me to do. Maybe we can talk the manager into paying you on the side to do it because I'm just an old man and these computers confuse me :) So he went and talked the General Manager into paying me 500.00 a month to post a couple of videos on Youtube and the website. To me it was easy but to Tom it made his life so much easier. I miss selling cars with that man and seeing him every time he would come around to drive one of ours for a dealer trade. I'm gonna miss you buddy...*

I have had the pleasure of knowing Tommy since 1979 when I came to Dallas. Tommy and I hit it off genuinely, as he did with most everyone he met for the first time. I am from Lufkin, TX and played baseball in Arp for tournaments when I was a kid and this was a common connector for us. Tommy was a good friend, great mentor, GREAT man. Tommy was the salesman's, saleman and you never felt threatened by his sales approach. Always genuine in every way. He will be missed by many people that he touched their lives. Rest in Peace Tommy. It isn't very often, in ones lifetime, that you meet someone and know right away that they would hold a special place in your heart. That's how I felt about Tommy from the moment I met him years ago. Such a warm and inviting human being and a true gentleman as well. I will miss those big hugs of his whenever we saw each other, but most of all I will miss that contagious smile of his. Rest in peace dear, sweet friend.

Susie and I send our thoughts and prayers to Tom's family. We knew Tommy for 40+ years, and have fond memories of the original Kodak "Friday Night Gang" that started over 20 years ago.

Tommy's Father was my Great Uncle so in my early year's we would visit them often. We later moved and would go back to Texas to visit and during a visit Tom and his Wife had me visit for a weekend now I was just a youngster but Tommy took me water skiing just the two of us after pulling me around he really surprised me by having me operate the boat and pull him around it was a time I will never forget. I love you Tommy and this will leave a hole in my heart forever Rest in peace. So sorry to the rest of the Family I know how much you all loved Tom.

See you soon
