“ It has been many years since I have seen Tommy and his family. I have many sweet memories of Rodeo and 4h days with our daughters. He was a kind man and I know he loved his family very much. Praying for them in his loss. I know my husband Don and he are catching up in Heaven about days gone by. God Bless you Lynn and Tammy

“ Tommy Crawley, a quiet and gentle man who was always willing to lend a helping hand to anyone in need. With so many good traits he was well respected by people who knew him. There are so many good things you could say about Tommy, but for me the best thing is Tommy Crawley was a true and loyal friend. If Tommy and I had a dollar for each minute that we spent visiting at his barn [Tommy's office as I called it] then we would have a huge pile of money, but money I would gladly trade to have more visits with Tommy in the days ahead. I will miss Tommy, but can only imagine how much you - Lynn, Tammy, Jake, and Madison will miss him. So I pray that God will give you the comfort during this sorrow and the strength you need as you move forward.

May God Bless You!!!

A last comment - Tommy is the only rancher - hay baler I have ever known of that after a full days work brought his equipment home and cleaned it so well you could eat supper on it - and that is a fact!!!!

Tommy was a classmate of mine through many years. He was always well liked. He was polite and had a kind heart. He always was happy and made others feel comfortable around him. I am not surprised to see that so many people cherish his friendship.

Uncle Tommy was a soft spoken gentle giant. I don't think I ever saw him angry, he always had a smile on his face. I haven't seen him in a while, but I will miss him.

Tommy lived across Crescent Drive from our house. Most days we would end up playing in the street or the vacant lot. When we graduated from high school, we all scattered, but it is so nice to his picture. Tommy was a very nice hard working person. Looks really good in that suit. Marshall Clinkscales
