“ *Patti, Kristen, Sealy,
I am so sorry for the loss of Granddaddy! He was so kind, generous and such a fun man. I was blessed to know him through a very special little girl, Mr Sealy's granddaughter - Kristen Bentel Spencer. She was my Little Sister in the Big Brothers/Big Sisters program. Mr Sealy made me feel part of the family. He was a wonderful man! I will be praying for comfort, peace and beautiful memories of him, as you deal with this loss.*

“ *Travis and the Sealy and Major family go way back. We lived across the street from his mom and dad and next door to the wards. Travis was a great and nice guy. In 1965, I wanted to see the Beatles and he drove us to Houston. May God Bless you all.*

“ *Travis wore many hats in his lifetime and had a heart bigger than Texas. Travis use to babysit me and my two brothers when we all lived in the Humble Camp at the New London Production Camp. Travis taught us how to throw a football and to play football as well as basketball and other sports. We were family! I will always cherish the memories of Travis and his family. God's Speed, my friend.*
