“ Val; was my pal in recovery off alcohol and drug problems. She always told it like it was which was the only way to tell and didn't mind jerking your chain when you was messing up! I owe 30 years of sobriety to her and God! Heaven got a great lady that has helped lots of people trying to get sober! Paul Cox

“ *Ms. Val, as we called her was a friend and mentor over the past twenty six years. She always had a smile on her face (except when she didn't). She was a great help to my son when he was in the throws of his disease. She will be missed. We are praying for her family and loved ones at this time. May God's peace which surpasses understanding be upon you.*
