Remembering You! Saturday evening January 14th, 2023, it will be 2 years tomorrow that you left us. I was holding you hand, and I know you knew I was next to you. My Beautiful Mother, I am missing you so much. I carry your Heart in My Heart for always. I miss hearing your voice, seeing your smile, holding you, and talking together with our conversations. I miss our little shopping sprees together. Dear God, I was not ready to say goodbye to My Mother!! I still cry with hurt and pain because I wanted her to be around longer. My Heart is broken. Till we meet again. I Love You, your second daughter, Donna

“ Hello Mother, Today is your Birthday 22nd of May, I miss you every day, my heart still is broken. Today I went to get my eyes checked and getting new eyeglasses and afterwards went to the hospital to visit a while with our Robin, he has been in and out of the hospital this year and last year as well. It breaks heart that he is going through so much as well for Lisa. Many prayers for healing, getting him better. We all love him dearly. Cameron is living with me, will be a year next month. Mother's Day you were on my mind all day, I carry your Heart in My Heart. Missing you so much and I still have coffee with you each morning while you are there in Heaven with Dad tell him hello for me. Dads Birthday is coming up on the 27th and Father's Day is soon; I miss him so much. So many wonderful memories I have that will never be forgotten. Loving you always and we will see each other again. Donna

“ It's me Mother, thinking of you like I always do when I am drinking my morning cup of coffee. It's almost time for the most wonderful time of the year and I know it was your favorite time of the year as well.

Just to update you, Cameron is now living with me, since June 2025.

Your son has been in and out of the Hospital all year, it's been heartbreaking to see him this way. He has had several surgeries, so much going on with his health. We all pray that he comes through all this and will be able to come home soon. It's almost time for our Family Christmas Gathering and you will be missed so much. So many past memories of our Christmas Family Gatherings keep me going. We miss you and Dad, it's not the same, will never be the same. It will be 17 years since Dad has been gone, Dec. 26th, 2008, and I still think of him often. It will be 5 years since you left us come January 21st, 2026. I miss you every day, your voice, your smile and you hug. I love you; I carry your heart in my heart always.
Yours Donna

“ *Hello again, My Beautiful Mother*

It is Monday morning December 30th, 2024, and I'm missing you dearly.

Another year is almost over and soon will be 2025. We all missed you and Dad again this 2024 Christmas Holiday, so many years spent with wonderful memories of past Christmas with you and Dad that will never be forgotten.

*Cameron helped me put up my 9' Christmas Tree after Thanksgiving this year, the Tree I bought in 2013, the Tree topper (Gold Star) you bought me in 2013 went on top as it has every year. All the Beautiful decorations and your Angel you had for so many years is still beautiful. I love and will cherish all the tree decorations you bought me till the day I die. You brought so much love to my life, and I miss you so much, I still have morning coffee with you and think of you every day. My Heart is broken, my life will never be the same. Till we meet again. I carry your Heart in My Heart always.
