“*Heaven received another Angel today. We are very sorry to hear about the loss of this very wonderful, special lady. She was such an amazing wife, mother, grandmother and friend to all. It was an honor and privilege to know her. She was always so upbeat, she always seemed to have a smile on her face and it was contagious as her husband and three children have that same smile. It may be hard right this minute to smile, but it will come back. When you lose someone you love this much it puts a hole in your heart. The good news is, the heart will heal, but the hole will always be there as a reminder of her love. Our thoughts and prayers are with you, may God bless you all.*

“*Mrs. Dixon was my #1 surrogate Momma. I spent lots of time at the Dixon home hanging out with Janet during our Jr Hi and early High School years and still remember many lessons learned from this great lady. She led by the example of her great faith and tough, high expectations for us youngin's. Many times I witnessed her Bible studying and how she applied it to her life. She loved genuinely and gave generously. I am blessed to have known her. Thank you, Dixon Family, for sharing her with all of us.*

“*Ronnie, Renee, Janet, Larry, and families*
The greatest joy and promise we have as Christians, is knowing that those we love and lose here on earth, we will see again in Heaven. Please know that you have all been in our thoughts and prayers during this time - the sadness of losing one so precious can sometimes be overwhelming, but we have a wonderful Heavenly Father who comforts us and brings us peace. May you be blessed with that peace today.

*Love,
Doretta*
