“ We will miss Uncle Wayne. I especially know and see how much my Mom misses him.

When my Mom (Donna Kay) told my son Logan about Uncle Wayne he got big tears in his eyes and asked Granny , Did uncle Wayne Die Granny and she said ,yes , he is in Heaven and Logan then asked With Jesus and Dennis ? Granny assured him yes that is where he is at. Logan has prayed with Granny for a long time for Wayne's healing. We know he is now healed .We will miss him but are comforted by the fact we KNOW where Uncle Wayne is at. Time will heal broken hearts. In tribute to Uncle Wayne and honor of my Mom who unselfishly helped where she could I give thanks that they both are healed. She really hated missing his funeral but could not afford to fly back again and my mom is not able to travel far by car. Each thing she does is a task for her. At the end of each day even keeping the kids she hurts but she is a true believer in the same verse that she says Uncle Wayne loved and she has always loved it since she almost died in 1979 .God was not ready for her yet but I know when he is she too will have a perfect body with no more aches and pains and hurts.

Phillipians 4:13 "I can do all things through Christ who strengtheneth me." Last night at Mom and Dad's church their pastor had a memorial service to help Mom find some closure to losing her oldest brother since she could not attend the funeral service of Uncle Wayne. It was a wonderful service. Mom wrote a eulogy for Uncle Wayne that her pastor read for her knowing she was too emotional to do so herself and they played the CD of him speaking of Tom Bryant and him singing "He touched Me" and also the one of him singing "Calvary's the Reason Why." Pastor Mike read all the appropriate verses from the bible. Mom had a very handsome 8x10 picture of Uncle Wayne there on the communion table.Her pastor said he looked like Kenny Rogers. That is what we always thought too. I know he is rejoicing with Uncle Dennis and loving his new , healed, perfect body. We will always love you uncle Wayne!

“ Toni,
I've been corresponding with Donna Kaye concerning Wayne and his battle with cancer. Wayne and his family lived next door to mama and daddy on Force Street in Houston for many years and also attended the Nazarene church with them. Wayne and my brother Skeets were the same age. This family means alot to us and we are so very sorry for your loss. Please know that you and your family are in our prayers.

“ Dear Family of Wayne,

I am so sorry to hear of your loss. I became acquainted with the Johnson family at the old Northshore Church of the Nazarene in Houston, Texas many years ago. My father-in-law was the pastor of that church.

Wayne was a blessing to many. May God comfort and sustain you always.

“ Toni, thank you for the loving and tender care you have always gave my baby brother. You have nutured his physical, emotional and spiritual health all these years. He was truely blessed to have you as his best friend and wife.

Leon and I will always treasure our memories we all made together. I will miss my phones calls from Wayne at my office to see what I was doing but I know that he now has greater conversations. He will be in our hearts forever until we are all together again.

It has been a long and hard struggle for him and he is now free from all of it and doesn't have to say "I Can Only Imagine" anymore, he now knows, and I know, he bowed down!

“ We are so sad that our Wayne will not be with us any longer. We will miss his daily calls. There were so many . We are rejoicing though because he is at home in Heaven with a new body and no more pain or suffering. I play everyday on the keyboard " There's Going to be a meeting In the Air " We know that some day we will meet Wayne in the air in heaven with our other loved ones that have gone on before us. Dad misses his oldest boy so much. He was his first born son. We couldn't have been more blessed with a son such as Wayne was. He and Toni sent us many goodie boxes in the mail and so many other nice things . We treasure them all. We are still eating the candy that he sent us. Toni we are praying for you and the family and are sorry for your loss as well. We know how much he will be missed. Love and prayers, Mamaw and PapPaw

“ Wayne and I became close friends when I left Sterling's training department and joined his sales team in the Tyler office. I went on to become a true colleague as the Market Manager in the Waco office. We remained close friends even when I lost my position with the company. When Wayne was in the hospital in Dallas, he called me to see how I was doing, job hunt wise. There he was with a hole in his head and he was worried about me. Now, that's a true friend. I felt like I could trust him with anything. I will sorely miss my dear friend. However, I know that I will get to see him yet again when the Lord calls me home as well. Thank you, Wayne, for being a stellar guy!

“ Toni, I met you and Wayne on one occasion. The two of you came by to visit with Janis and offer your friendship and support at time that she desperately needed a shoulder and kind word. Joey truly loved his association with Sterling and he especially loved and respected Wayne, his boss and friend.

“ I want to express my sincere sympathy to the family and friends Wayne has left behind. My brother and his wife, Janis, spoke so highly of him and you, Toni, that I feel like I know you. Wayne was there for my brother and I cannot extend enough thanks for that. I know the Lord will comfort you in the days to come and I know that Wayne is not sick anymore but in the presence of His Lord, brother and other loved ones. I know my Mother will give him a big hug for what he did for Joey! God Bless.

“ Jeff and I so wish we could be there with all of you at this difficult time. Wayne was so special to me. He was a big brother I could call if I needed. He encouraged me even when his health was failing. I saw how many lives he touched and how he wanted to be a witness even up until he could no longer have the strength to speak. I thank God for the 42 days I had there with him. I know he is free from pain and happy in Heaven. I miss him so much already my heart is breaking. I WILL see him again some sweet day in Heaven , and Dennis too. I am sorry I can not be there for his services because of finances and my inability to be able to ride for 21 hours. I will be with all of you there in spirit and mind. Mom is not doing good. I am going to see her today. Toni stay strong and look often at what Wayne had me write on your board in your work shop. He loved you so much. He can smell all the gardenias he wants now and see such beautiful sights. The last bloom I have here is opening today. I have it beside his photo. Our church is having a little memorial service for him on Sunday night since I can't make it to the funeral. You are in all our prayers at church. Phillipians 4:13 I can do all things through Christ which Strengtheneth me. Hug everyone for me.

“ As I try to comprehend and understand everything that has happened in the last two years, I realize God's perfect plan. In my dear Dennis' passing on to glory, God made it possible for me to come back to Texas. I often wondered what God had in store for me and it was revealed as I was able to be with my brother Johnny and his son Joshua during the long illness of his wife and Joshua's mother Dianne. God gave me the words to minister to them both. God took Dianne home on August 11, 2008. So Toni, I say to you with love and understanding, God has a plan for your life. I know you will miss Wayne and I pray for you to be patient and listen for God's sweet voice. He will always be with you.

Love,
Robbie
