“ We are so very sorry for the loss of your dear loved one. Losing someone from this earthly life leaves a void that no one else can fill. The years you shared with Vicki will always be your cherished memories. Remember all the good times you shared as a loving family. These will be treasures in the future. Carry her love for you in your hearts and know that Vicki is only a thought away. Vicki touched so many lives during her career as a teacher. She strived to be the very best. I always remember her integrity, kindness, thoughtfulness, and wisdom. Her legacy lives on through the lives of all her students. You and Vicki were not only coworkers, but you are both treasured friends. I will always remember with happiness the times that we shared with each other.

Our love to you,
