“ I knew Ginny for many years. Since I live in a different town now, I didn't get to see her as often as I would have liked. However, one of us would call on the birthday we shared, January 18. I have many wonderful memories of Ginny over the years. I miss our phone calls when we would reminisce about memories we shared. Ginny had 2 children and several grandchildren she loved very much. I am proud she thought of me as a friend. Ginny, I love you. Rest in peace my friend. I will miss you.
