“ Wallace Gayle was my dad and a wonderful dad at that. My dad was always there for me, whatever I needed. I always knew he was going to protect me, provide for me, and fix anything I had wrong. He was also a great Poppy to our children, Caitlin, Cailee, and Gunner, and they loved him deeply. After we moved to Oklahoma, we were unable to see my dad as much as we wanted, mainly because it became so hard for me to travel with my muscular sclerosis. I have lots of wonderful memories of my dad, but the best memories I have of my dad is when he told me my husband is the best pilot he’s ever seen, and his emotional support to me after our first daughter died. I pray that they will be together now and some day I will be with them as well. I pray that he did not suffer and will live his eternal life in heaven. I love you dad.

Hello Traci,
I met your dad working at the facility and I had just left off for school. He was my guy. Such an amazing soul and he could crack a joke that'll just tickle me all day. I literally just found out and it hit me hard. I'm praying for you and your family. He love you guys especially his grandkids. Take care

“ I was sad to hear of Mr. Gayle passing away. Our dad, Jerry McCarty, and Wally were life long friends. There were several trips in my childhood that Wally was there and he and my dad would have us laughing at their stories. Wally was such a good friend to my dad and I'm glad they are together again having laughs, telling terrible jokes and causing mischief in heaven. Rest in peace Wally. ~Leslie McCarty

Wally was a schoolmate of mine at Alto High School, and we stayed good friends after graduation. Our families were close friends, and I have so many fond memories of all the fun times we shared. Wally was always well-liked by everyone, had a great sense of humor and was fun to be around. May he rest in peace. He will be missed.

Wally and my late husband, Jerry, were life long friends. They enjoyed 30 plus years of men's golf trips and snow Skiing trips to Ruidoso NM and Vail Co. and other destinations. Wally was full of life and always the life of the party. They loved retelling all the tales and stories of their adventures through the years. I have many fond Memories of trips with Wally and Dalene. Wally will be missed. Rest in peace my friend.

Richard & I were blessed to have known Wallace through our son Kirk & wife Leslie and their children Emily & Kyle. We know that every friend & family member of Wallace had their lives enriched by this wonderful man. We were never jealous, and truly understood exactly why Wallace (Poppy) was Emily & Kyle's favorite grandparent from the time they were very young. Poppy & Dalene (Grannie) were a delight to be with. Wallace & Dalene had such Love & Devotion for each other that I believe will continue on in Heaven.
Love you Wallace, Cora Sue & Richard Bily
