“ I'll always hold the memory of Christmas and our lunch at Outback with you and your family close to my heart. You were a kind and gentle man and I'm glad I got to know you. Even though now I see it was all a ploy to get me to paint your kitchen cabinets. Just kidding. I said, *JUST KIDDING!* So, you haven't received your perfect hearing yet. Hang on because very soon you will, along with your perfect health and your perfect body and your perfect peace at home with our brother Christ and our Heavenly Father.

May the peace of God, which transcends all understanding, be with your loved ones today and always.

“ We want to send our condolence and our prayers to all the Ewing Family. Walt will be greatly missed. I have many fond memories of Walt from the Collins Radio days. I recall several Field Trips, with Walt, to Washington, D.C., to work on Air Force One. He was a Great Engineer and a good friend. God Bless You All.
