Walter J. Moiseve was born February 29, 1928 in Los Angeles California. His parents were Russian immigrants and he was the youngest of six children. He attended Roosevelt High School. He enlisted in the Navy at 18 years old, in 1946 and served as a control tower operator in Guam. He was discharged in 1948. He married Pauline Langlais, an immigrant from Canada, in 1957. They originally lived in Fullerton California then moved to Yorba Linda California, where they raised their two children Mathew and Monette. Later Walter and Pauline moved to San Clemente, building their dream home, where they enjoyed their retirement years. Eventually Walter and Pauline moved to Tyler, Texas to be closer to their daughter and live at The Hamptons Retirement Community. Walter was a Licensed Land Surveyor and eventually was involved in residential land development in Orange County, California. He was an avid snow skier, enjoyed cycling, travel, good food, and drink. He was a caring father, and husband and will be missed by his loving family. He is survived by his wife Pauline Moiseve, his two children, son Mathew and his loving wife Nancy, and daughter Monette and five grandchildren; Tommy, Jeffrey, Gregory, Alyssa, and Kayleigh. As well as leaving his family he leaves behind countless care givers at The Hamptons that loved him, laughed with him and cared for him to the last moment. Joining his family at his bedside at time of

his death was Roxanna Reyes, who cared for and loved our Dad dearly. We thank Roxanna and the many care providers at The Hamptons and Heart to Heart Hospice for being there.
