“ *I know this is a couple of years late, but I wanted to pass on my condolences. I knew W.G. for three months in early 2015, I was his roommate at Reunion Plaza after getting spinal surgery.*

On my last day at Reunion Plaza, I asked Mister Spivey if he'd take a photo with me, and he seemed perplexed. He asked me why, and I told him so I'd have something to remember him by. He seemed really happy by that answer.

I've attached that photo here -- which also hangs on my living room wall to this day.

I still think about him often, and I miss him when I do. I'm sorry for your family's loss.

*Best wishes,
-James Jeans*
