*Please know my thoughts and prayers are with each of you. A young man taken in the prime of his life has got to be the most difficult ordeal a family can endure. You are surrounded by many faithful friends and relatives, but your strong faith will be the sustaining factor.*

“ I learned of Andy's passing today and wanted to extend my sympathies to Mr. and Mrs. Hall, Greg, and the entire family. Andy and I were basketball teammates at Lee and graduated together in 1984. After graduating from college we both entered the field of education as teachers / coaches. I remember Andy as a fine basketball player and student in high school, and he was a tremendous competitor on the court. I know he will be missed by his family and friends.

“ *The Hall family has given so much to so many over the years. Billy and Sue are special folks. I had the privilege of working with Andy one summer with the Youth at First Baptist. What a great time. Andy was fun to be around and had a great heart. He was good at engaging kids with compassion and direction. We will pray that God's Grace will be evident and sustain all the family, especially Andy's three daughters.*

“ Greg, Mr. & Mrs. Hall,  
Our hearts were saddened at the loss of Andy. I remember Andy during my time at FBC Tyler and when he came to visit while living with Greg at Baylor. My wife taught with Andy one of his first years as a coach at Mt. Pleasant Junior High and has fond memories of him beginning his career there. Our thoughts and prayers are with each of you and his three daughters. May God wrap his loving arms around you today and in the days to come.

“ *Billy & Sue,*

*I am so sorry for your loss. My wife Jackie & I attended your SS class at FBC as young marrieds in the lats 80's, then moved to Longview where we later met up W/ Andy, Stacy & their girls at Oakland Heights BC. Over the years, I occasionally ran into Andy and always asked him how he was doing. When Jackie told me she read about his service in the LNJ, I was in disbelief. The news of Andy's passing has hit me hard. Please know I will be praying for you as well as his precious girls today and in the coming weeks & months.*

“ I am truly sorry for your loss. I had a brief encounter with Andy during a motorcycle accident several years ago and had the unfortunate chance to fly him to the hospital. After the accident I visited him several times in the hospital and found him to be a very up beat person and easy to like. We then met again by chance on Facebook and had several back and forth meetings that way. I am sorry to not have the chance to know him better. My God hold you all in his hands as you go through these hard times. Jim
