“ During the short time that I got to know BRAD, I felt like we had been friends for many years. It was so easy to like Brad and enjoy his many stories, he was very entertaining.

I really enjoyed knowing Brad. He was a true friend, and I am going to miss him very much.

You are in a much better place now, Brad. No more pain. GOD is now looking after you.

“ Cherished memories of my Uncle Wendell when growing up. Lots of family reunions and when he and Aunt Marolyn would come visit at my Mom and Dad's place. How Uncle Wendell loved fresh fruits and vegetables right out of the garden. You were respected and loved much. We will miss you dearly now that you have left us. Our memories will comfort us and he will forever be loved.
