“ I cannot find words to express the love that I have for my brother, my best friend, Wilbert. Sonny and I became buddies at the young age of two and maintained a special friendship. In most ways our lives are mirror images. There are no words to describe the loss of my beloved brother. He will live forever in my thoughts. Connie and I offer our sympathies and prayers to the family. Paulette, we are only a phone call away. Blessing to the Family

“ Sonny,

You are such a beautiful ANGEL in Heaven! We love and miss you so very, very much! However, we know that GOD loves you more. And your bright light shines on us from Heaven above.

Paulette and your beautiful daughters, sons, and granddaughters are as special to us as you are, and they were chosen by GOD as very special gifts to us all. They have such great strength, values, beauty and honesty!

“ To my family: Let's find our strength in the Lord. I love Wilbert so much and still find it so hard to believe. Was watching family reunion 2006 tape where we all met at his home. It was beautiful. To my sister Paulette, you were a jewel in Wilberts life, the apple of his eye. He loved you soooo much. A perfect couple. Thank you for loving him, being his friend, his confidante, his everything. You stood by his side through it all.
Wilbert I miss you. Tell mom, dad and chick hello and you heavenly angels pray for the family.
