“ *While I didn't get to spend much time with Uncle Bill, I did have the
chance to learn what kind of person he was. He was always in a
good mood and happy to see anyone who he ran into. I have no
doubt that we, that are left here, are the unlucky ones not to have
him with us anymore. I will miss him.
Aunt Glenda, I hope that you know I have you in my prayers at this
difficult time and am truly sorry I couldn't attend the services. Love
you, John and Cathy*
