“ *I have known Bill and George for over 30 years. I was working in law enforcement at Tyler PD when I first met him. Bill was part owner and working at the Tire Barn at the time. George's son played on the basketball and baseball teams that I coached. We all got to know each other pretty well. Bill found his nitch in life. He loved what he did and he did it very well. He was a people person, always looking for a way to help someone if he could. Usually, he would find a way. He always has a big smile on his face when you would meet him. The law enforcement community will greatly miss Judge Lemmert. Bill was one of the few "good guys" that you meet in life and has had to leave far too soon. We miss you Bill, but will never forget you.*
