“Joan and I are so sorry to hear of your loss. We both have known Bill since we were young teens. We have had some real good and sometimes scary times together. Bill was the life of any party. Joan and I was thinking about him and where he was just yesterday. God Bless You in this time of grief. He was one of my very best friends.

“We always had fun just going places together after church and school. So sorry to hear about this. We are praying for all of you at this time. Mother is at Park Place recovering from surgery. She will be praying too. I am glad to say that I knew Billy and all of the family. Just saw Billy last year with his Mom and wife at Cathedral in the Pines.
