“ My deepest regrests go out to you and your family for the passing of Bill.

I was a class mate of Bills all thru school and played sports with him. Especially baseball. We had some great times growing up in Westernport. I had lost contact with most of my classmates, dont think i have seen bill since we graduated. Again my condolences to your family, May God watch over and keep you safe. you will be in my prayers

“ Bruce High School, Class of 1969 sends deepest sympathy on the loss of your husband and father. He was always a happy and "fun to be with" person. Although we had not seen him since graduation, it sounds by the tributes that he had remained the same. Growing up in that small Maryland town we all shared a special bond. We hold his memory dear to our hearts.

“ I am so sorry to hear about Bill. He and I went through 12 years of school together. He was always the class clown. I'm sorry for your loss. What happened to him. I'm writing several of our classmates tonight and let them know.He was a good friend of Dick Kooken and he is one I will be writing too. Again, I'm so sorry for your loss. Bill was a funny guy and I'm sure your family will miss him.

“ I just read of Bill's passing in the local Cumberland Times. My deepest sympathy to all in the family. My memories of Bill are of a happy-go-lucky young boy who could (along with my own brothers), irritate the heck out of Kreugh (one of my best friends) and me. We didn't know then how much we would love those little rascals! I didn't have the pleasure of knowing Bill as an adult, but after reading some of the remarks at this web site, I can tell he never waived as a happy, kind person. God be with you all.

“ So sorry to hear of Bill's death. He was a friend of mine years ago growing up in Westernport, MD. No one could hit a corner shot on the sand lot basketball court like Bill. My deepest condolences go out to his wife and children.

“ So sad to hear of Bill's passing. Bill and I were friends in high school and we had a lot of really good times together, always laughing. He was truly a "good guy" in every way and I will never forget those times. We will keep you all in our prayers. Lean on the Lord for strength and know that we are truly sorry for your loss. He will be greatly missed.

“ I personally know how funny Mr. Darnley could be...
He used to ask Jill when all of us were officially moving in cause'
Alison, Jackie, myself and Jill would hang out at their house all the
time.
Eat all the food, watch movies and terrorize Diane. :) We love you
and our hearts go out to you, but remember the funny moments
because that is what his life was about. Having a good time, loving
his family and creating lasting relationships!

“ I have worked with Bill and traveled with him for years. He had that personality that kept you laughing all the time. He was a wonderful person to associate with. I know he was a super dad and a loving husband. He will be missed by all and especially by me. I lost a super friend.

“ I only new Bill for a too short period of time of two years. I can tell you he would always get excited to talk about his family and especially how proud he was of his daughters. As Bill came to Tennessee several times or I would see him at trade shows or the Hydromatic factory I always enjoyed his company and will miss him and his jovial personality in my future travels. The world lost a great man yesterday. My thoughts and prayers are with you all in this time of loss.
