“ *Dad,
Over the years we had issues as do all families. You are missed already and will be in our thoughts for the rest of our lives. As with most families we didn't say I love you enough. We would like to say it a million times, but we will have to wait to see you in heaven. We do love you very much.*

*LOVE YA!

“ Wayne and Janet and family,

May God bless you in this so sad time. I will always remember the years that I knew your dad, he was quite a character, and I know you'll miss him.

I'll always remember the time we traded your dad a motorcycle, because I wouldn't let Glenn ride it, it was me or it (haha), for a paint job for Glenn's Mustang. That seems like a hundred years ago.

Paul tells us in IICOR ch.5 vs's 7&8 To be absent from this body is to present with The Lord. I take great comfort in that since losing my own father and other loved ones.

*Love your Tennessee friends,
Glenn and Mo Catoe*

p.s. Nutty, I wish I could hug you!
